Sri U. M. MADAPPA.—May I know whether the Sericulture Research Institution is properly and actively working ?

Sri H. SIDDAVEERAPPA.—If we are not up to the mark, we shall try to take further steps.

Sri U. M. MADAPPA.—If so, why this is prevalent since a long time ?

Sri H. SIDDAVEERAPPA.—As I have already said, it is a disease so common to that worm and it is prevalent throughout the world. Whatever research is taken up, this disease is still to be found.

Railway Cess Fund Roads, Chitaldrug, (Compensation for Lands acquired).

Q.—88. Sri J. MOHAMED IMAM (Jagalur).—

Will the Government be pleased to state :—

(*a*) whether it is not a fact that compensation has not yet been paid for the lands acquired for the Railway Cess fund of the District Board, Chitaldrug ;

(*b*) the action that the Government have taken on repeated, representations made to them in the matter ?

A.—Sri T. CHANNIAH (Minister for Public Health and Local Self-Government).

(*a*) Yes.

(*b*) As the District Board has no money to pay the compensation amount, it is proposed to assist it with a loan.

Sri J. MOHAMED IMAM.—When were these lands acquired ?

Sri T. CHANNIAH.—Prior to 1942.

Sri J. MOHAMED IMAM.—Is it not nearly 18 years since these lands were taken possession of ?

Sri T. CHANNIAH.—Yes.

Sri J. MOHAMED IMAM.—What is the amount payable on the acquisiton ? Has it been calculated ?

Sri T. CHANNIAH.—The exact amount payable as cash compensation for the lands acquired is not definitely known. But compensation has been paid for 639 acres and 30 guntas and compensation has yet to be paid for 468 acres and 35 guntas.

Sri J. MOHAMED IMAM—Are the acquisition proceedings as far as these lands are concerned finished ? And what is the award and has it been paid ?

Sri T. CHANNIAH.—Award has not been paid and so the amount is not known.

Sri J. MOHAMED IMAM.—What is the reason for the award not being paid though it is nearly 18 years when the lands were acquired ?

Sri T. CHANNIAH.—The reason is given in answer to question (*b*). The reason is that the District Board had no fund to make payment for the lands acquired. The Commissioner for Local Self-Government has been addressed to send a specific resolution of the District Board requesting for a loan. After receipt of the resolution, arrangements will be made to pay compensation for the lands.

Sri J. MOHAMED IMAM.—When the District Board itself does not exist, how can a resolution be made ?

Sri T. CHANNIAH.—A Special Officer has been appointed and he will make a recommendation in this behalf.

Sri J. MOHAMED IMAM.—Is it not a fact the people concerned are put to a good deal of hardship as compensation has not been paid to them though 18 years have elapsed and how much more time the Government want to take to make the payment ?

Sri T. CHANNIAH.—As soon as the Special Officer for Chitaldrug District Board sends up proposals in regard to the amount of loan required and the terms of repayment of the loan, arrangements will be made to sanction the loan.

Sri J. MOHAMED IMAM.- Can the Special Officer send such a recommendation or resolution when the District Board itself is defunct?

Sri T. CHANNIAH.—He has to send proposals to Government as to the amount of loan required for the purpose.

Sri Mulka GOVINDA REDDY.—What are the roads for acquiring for which compensation has been paid and what are the roads for which compensation has not been paid?

Sri T. CHANNIAH.—Notice.

Sri Mulka GOVINDA REDDY.—How much loan has been asked for from the District Board?

Sri T. CHANNIAH.—We have not received information as to the exact amount required for payment of cash compensation. It is yet to be ascertained.

Sri Mulka GOVINDA REDDY—In your answer you say that you propose to assist the District Board with a loan.

Sri T. CHANNIAH.—We have just asked the Commissioner for Local Self-Government to intimate us the exact amount of loan required.

Sri A. BHEEMAPPA NAIK.—Is it not a fact that even land revenue has not been remitted and the people affected are still paying land revenue for the lands acquired by the District Board for forming the roads?

Mr. SPEAKER.—That does not arise. It is only with regard to compensation, whether money is made available to the District Board for paying compensation. But in regard to land revenue that is being paid, you can put a separate question. That question does not arise in this connection.

Sri A. BHEEMAPPA NAIK.—As regards money, do the Government mean to say that the District Board had no money in all these 18 years to pay?

Sri T. CHANNIAH.—Part payment has been made by the District Board in respect of cetain lands already.

Sri A. BHEEMAPPA NAIK.—What has the District Board not having money to do with the award? One has noting to do with the other.

Sri T. CHANNIAH.—At the time the lands were acquired, the District Board had not sufficient funds to pay for the lands.

Sri A. BHEEMAPPA NAIK.—When the District Board has not deposited the amount required under the rules, how can they acquire? Is it not illegal acquisition and do the Government concede this illegal right to the District Board continuously for these 18 years?

Sri T. CHANNIAH.—Roads have already been formed. The District Board will pay compensation for the lands acquired.

Non-Gazetted Officers (Free Medical Aid).

Q.—195. Sri G. SIVAPPA (Holalkere).—

Will the Government be pleased to state:—

(*a*) whether they are considering the question for providing free medical amenities to Non-Gazetted Officers and their families;

(*b*) if so, what the nature of amenities proposed to be extended to them is?

A.—Sri T. CHANNIAH (Minister for Public Health and Local Self-Government).—

(*a*) and (*b*) A copy of Government Order No. M. 13642-741—Med. 109-54-1, dated 4th October 1954, sanctioning certain concessions in respect of medical treatment for all Government servants and their families in the State, is appended below.
